Crossing Over—

The Enon Tabernacle Baptist Church Fit for Eternity Walk/Run is a new twist on an old tradition. In 2006, Reverend Dr. Alyn E. Waller, decided to update the old Baptist tradition of having a church congregation walk from the site of its old church building to the site of the new building. To honor the symbolism of the church's expansion to its new place of worship, an annual Walk/Run was started with proceeds going to local charitable organizations.

In keeping with Enon's commitment to benefit those in our community, the Fit for Eternity Walk/Run is an annual event commemorating our "crossing over" into a new facility and season of ministry, but also focusing on health issues that are important but don't receive the publicity and awareness that they should.

Reaching Out—

All proceeds from the Fit for Eternity Walk Run will benefit the Esperanza Health Center and Greater Philadelphia Health Action Inc.

The Esperanza Health Center is a multi-cultural ministry providing holistic healthcare to the Latino and underserved communities of Philadelphia. The Esperanza Health Center serves 6,500 patients through over 31,000 medical care visits annually at its two locations in North Philadelphia, and is designated as a Federally Qualified Health Center (FQHC). Esperanza meets patient needs daily by offering comprehensive primary medical services for adults and children.

The Greater Philadelphia Health Action Inc. is a nonprofit organization dedicated to offering families the best in primary, dental and behavioral healthcare. First and foremost, is their goal to keep families healthy by encouraging preventive health practices. Since 1970, GPHA has been a champion of compassionate and affordable healthcare for families throughout the Delaware Valley.
